

Environmental Policy Statement

Principal Security Services Ltd is committed to protecting and enhancing the natural environment, sustainable practices are considered and adopted where possible; we endeavour to do this by:

- Operating and adhering to our Environmental Management System (EMS), in accordance with ISO 14001, legal and other requirements
- Providing a framework for setting, monitoring and reviewing environmental objectives and targets
- Monitoring and reviewing our EMS and environmental performance to identify, plan and implement changes and continual improvements
- Identifying our impact on the environment and developing plans to minimise or eliminate that impact and prevent pollution to land, air, and water
- Promoting the use of sustainable resources and working in partnership with customers, partner organisations and regulatory bodies
- Promoting environmental awareness, and training where necessary and encouraging all staff to 'do their bit'.

Purchasing & Packaging

Principal Security Services Ltd considers environmental issues in purchasing decisions, and endeavours to purchase new equipment that is energy saving.

Waste & Recycling

Principal Security Services Ltd endeavours to minimise waste where possible (i.e. recycling paper, cans, plastic, cooking oil).

Energy Use

Principal Security Services Ltd ensures scheduled servicing and maintenance of equipment to improve its efficiency and life. Staff ensure they switch off lights, computer screens and equipment when not in use.

Water Usage

Principal Security Services Ltd staff are encouraged to report dripping taps to improve efficiency and reduce the use of energy & water.

Transport

Principal Security Services Ltd is committed to reducing the impact of vehicle travel by its staff, and encourages the use of alternative means of travel where possible, for example, by public transport and car sharing.

Chemical Use

Principal Security Services Ltd promotes the use of environmentally friendly products and provides up to date information to all users.

This statement will be made available to all staff, customers, and other relevant interested parties. It will be displayed prominently throughout Principal Security Services on noticeboards, the staff handbooks, and the external website. It will be reviewed on a regular basis as part of the Management Review.
